

2026-2027 CO-OP Classes

Students and parents are expected to attend the full co-op morning from 9:00 a.m. to 12:00 p.m. Students who choose not to participate in a particular class are expected to remain on-site and use that class period as a Study Hall. Exceptions to this policy may be granted by the Leadership Team on a case-by-case basis in special circumstances.

6th-8th Grade

Science - Astronomy & Earth Science (Generations)

Lead Teacher: Amanda Grecni

Required Curriculum Purchase: [God Made The World: A Biblical Worldview Course on Astronomy and Earth Science](#)

Students will be provided a syllabus and responsible for reading outside of class. Reading will be re-emphasized in class and hands-on-projects and experiments performed.

***Students will need to purchase the textbook curriculum (activity guide not required)
(The textbook is available in both print and audio form. Choose whichever one works best for your student/family)***

Apologetics (Master Books)

Required Curriculum Purchase: [Master Books Elementary Apologetics \(Curriculum Pack\)](#)

Elementary Apologetics gives students the knowledge they need to defend their faith against unbiblical worldviews. Using real questions asked by elementary students, this course teaches your student to find answers to their questions in the Bible.

*13 year old boys will join the High School Apologetics class (please see High School class description for curriculum)

Extracurricular

This class will be a combination of Art, PE, Music and Geography. We will study each component in 8 week unit studies.

3rd-5th Grade

Science - Astronomy & Earth Science (Generations)

Curriculum Purchase is **OPTIONAL**: [God Made The World: A Biblical Worldview Course on Astronomy and Earth Science](#)

Students will be provided a syllabus and responsible for reading outside of class. Reading will be re-emphasized in class and hands-on-projects and experiments performed.

Apologetics (Master Books)

Required Curriculum Purchase: [Master Books Answers for Kid's Box Set](#)

Elementary Apologetics gives students the knowledge they need to defend their faith against unbiblical worldviews. Using real questions asked by elementary students, this course teaches your student to find answers to their questions in the Bible.

Extracurricular

This class will be a combination of Art, PE, Music and Geography. We will study each component in 8 week unit studies. No curriculum purchase required.
